THE COYOTE EXPRESS

Newsletter #29 – 1 February 2010

Racing

Twilight – A few of our boys lined up for B grade on Wednesday night including Rich, Robbo, Mick and Mark. It was a pretty competitive field with the triple play boys actually taking all three podium spots at the end. Robbo and Rich both sprinted well to finish 4th and 5th. Rich confirmed his status as Captain Prime by launching an attack in the back sprint from the breakaway group and then coasting down the straight to collect the honours.

Official Results of A and B were :

A – Grade Starters 40

Winner Matt Wood, KP
2nd Jay McCarthy. Fraser Coast
3rd Graeme Smith, HPRW
4th Felix Oberacht, BCRI
Prime Chris Williams, BCRI

B – Grade Starters 50

Winner Scott Greenland, FFAST
2nd Matt Hamilton, Ipswich
3rd Tim Bartlett, HPRW
4th Sam Wood, Balmoral
Prime Richard Walters, HPRW

Nundah – Saturday

We had a good turnout in the A grade race with Robbo, Mick, Brett, Dave, Steve, newboy Mark, Rich and myself (Locky raced in B grade). The boys all rode really well but we didn't feature in the places. Despite that fact it was a really good race but with a pretty stiff headwind in the straight which may have been a factor in the average being only 43km/h.

D Grade Crash – HPRW Website

I got a message from Willow that Terry Bourne was the worst casualty, 2 broken ribs and smashed up bike. In PC overnight and possibly longer, no punctured lung. Was unconscious for some time, but coping OK at present.
Has anyone found his wallet??

Geoff Messer did a spectacular over the handle bars 10 out of 10 somersault, luckily only bruised and will be stiff tomorrow.

Heather Kemp injured hip, ambo to Prince Charles – all clear, stiff tomorrow.

The D grade crash today was a wheel touch on the straight, not the sprint, and down went 4.

Next Week – Next week's racing is the new circuit at Cannon Hill starting at 6.45am. Check HPRW's website for location details. I won't be at this weekend's racing as I'll be up the North Coast. The following weekend the racing will again be at Nundah.

Membership

We have a new member in our team – Nick Hutton. Nick is based on the Sunshine Coast but intends to come and do a few races with us. Nick did the length of New Zealand ride in January and is a good strong cyclist.

Some recent developments with some of our members include :

Andrew – Has two new beautiful additions to his family – Twin girls Lara and Ella came six weeks early but Lisa and girls are doing fine.

Warren – Completed the Challenge Wanaka IM in 11hours. This IM is a challenging but scenic course.

Michael – Is off to Geelong for the Geelong 70.3

Bryn and Snubby – are off to NZ for the Coast to Coast.

Aaron – has a couple of operations coming up and will be back into racing around March.

Matters of Interest

For anyone riding over Mt Nebo the last couple of weekends there is a photographer there who is taking pictures of cyclists which you can purchase.

There is a picture of Scott in the Coyote kit on the Xtri web site (www.xtri.com) . That climb that he is pictured on was pretty long and one of the boys on the camp actually got off and walked.....

2010 – Train Smart..Race Hard..Earn Respect
